Dear Parents,

Recently, we met with your child's class to discuss the math and reading assignments which all students entering fifth grade need to complete over the summer months. These assignments will help your child review and maintain skills. *These assignments are mandatory and must be submitted on Tuesday, September 5, the first day of school.* Assignments will be posted on the school website before the end of the school year.

Please read and sign the bottom portion of this memo and return it by Wednesday, June 7th.

Sincerely,
Mrs. Maloney & Mrs. McDonnell
