The St. Peter PTA Craft Fair seeks to promote vendors selling high-quality, hand-crafted items. Absolutely no part of any vendor's display may include buy-and-sell items, imports, or work that is commercially manufactured by someone other than the artisans. Any vendor who drastically misrepresents his/her product on this application or who displays items that are not handcrafted may be asked to remove those items or leave the show and forfeit their table fee.

Each crafter is required to provide one item of their choice to our raffle table. The raffle table helps to offset our costs and serves as an advertisement for you as well. Please bring your item and business card to the raffle table during set-up.

Release: I understand, accept, and will abide by the rules and policies set forth in this application. By signing this application I declare that the items to be displayed are original, that I have had direct involvement in the making of each item offered for sale, and that it is consistent with the standards set forth in this application.
