DIOCESE OF
TRENTON

Department of Catholic Schools • Office of Curriculum & Instruction

March 4, 2022

Dear Parent/Guardian:

It is a natural inclination for each of us to want to know that we are doing a good job and to know that our efforts and hard work are achieving positive results. The case is no different in the realm of education.

Each year, students at all levels are assessed both to determine their grasp and understanding of material and to discover if there are ways that curriculum and instruction can be improved. Currently, the Diocese of Trenton administers the Star 360 assessments on the elementary level and a number of assessments such as the PSAT and the SAT on the secondary level to measure mastery of math and language. In our Diocese, however, there has been no formal assessment used to measure the knowledge and understanding of the principles of the Catholic Faith.

To that end, this year we will begin to assess that knowledge of the Faith by means of the ACRE Assessment from the National Catholic Education Association. The assessments will be administered in grades 5 and 8 on the elementary level and in grade 11 on the secondary level at some point during the three-week window of March 21st through April 8th. The assessment is given during a class period and lasts about 40 minutes.

It is the belief of the Department of Catholic Schools that an assessment such as this will provide the necessary data points to enhance Catholic identity, the Faith formation of our students, and Gospel values within our diocesan family. The information gleaned from the assessment results will provide the Department of Catholic Schools and the Department of Catechesis with much solid information to assist in developing the religion curriculum and the religious education programs in our schools and parishes.

If you have any questions, please feel free to contact me. Many thanks for supporting this important endeavor and for all that you do to support Catholic education in the Diocese of Trenton.

With regards,

Daniel T. O'Connell, M.S.Ed.

- # Diocesan Tuition Assistance Program 2022-23 School Year

For Families with Children Attending Catholic Schools

General Information

Tuition assistance is awarded each year to families with children in our Catholic schools in grades K-12. Awards are made based on financial need.

How is the determination made?
Information contained in the application along with the supporting materials is used to determine financial need. The formula used has been especially designed for families with children attending Catholic school. This calculation is based on a moderate standard of living for the geographic area of the applicant, further ensuring a realistic result. This formula determines the ability of a family to pay for private education. FACTS includes a comprehensive review and verification process ensuring the accuracy of the data.

Award Amount Families who apply can receive up to one-half of the school's in-parish tuition rate.

How to apply (One application per family)

- Application will be available online **November 1, 2021** at https://online.factsmgt.com**.**

- The application fee is $35, and it is due at the time the application is submitted. Forms of payment include debit cards, major credit cards, or an electronic check. If you receive a Diocesan tuition assistance award, the $35 fee will be added to your award.

- Online applications are available in English and Spanish. To select Spanish, simply click on the link in the upper right-hand corner of the screen before you log in.

- Allow for approximately two weeks for FACTS to process each document once it is uploaded. If additional documents are needed, an email will be sent to you from FACTS. All "completed" aplications sent by the due dates will be considered for Diocesan tuition assistance.

- For Grades K-8: To be considered in Round 1 applications must be complete by **March 1, 2022**. The dealine for Round 2 is **May 16, 2022**.

Grades K-8

- **Applications completed by March 1, 2022** will be evaluated in Round 1. Typically, applications in the first round are submitted by existing school families or new families who register during Catholic Schools Week. **All applications must be complete, containing all supporting tax documentation.**

- **Applications completed by May 16, 2022** will be evaluated in Round 2. This is the final opportunity to apply for diocesan financial aid. Typically, applications in the second round are submitted by families who register late, regardless of whether they are new or existing families. **All applications must be complete, containing all supporting tax documentation.**

- For Round 1 tax forms from 2020.
  For Round 2 tax forms from 2021.
  Families will be notified by email whether or not an award is granted. When this notification is received, the parent should contact the school.

Grades 9-12

- All applications must be complete, containing all supporting tax documentation.
  Awards are based on a rolling submission. Notification will be made by the school. **For more information on High School Financial Aid, visit your high school's website**

18 Years and older only

Happy TWOsday Everyone,

The PTA wanted to provide you all with a quick update on our Easter Monday Gift Auction. First and foremost, thank you to everyone that has donated items, solicited and signed up for your mandatory shifts! In light of the new rules regarding masks as of March 7th, we do have a slight change to announce. The Gift Auction Committee has decided to bring our decades old tradition back to in person! This will change the hours that the gift auction takes place and causes a slight change to the volunteer shifts. The gift auction will now have the doors open at 4:30pm and the auction will begin at 7:30pm. Please note that all winners will now need to be present. In addition, reservations are going to be mandatory. We will be updating the PTA website with a link for making your reservations online. Pursuant to the PTA agreement, each family receives (2) admission tickets (worth $15 each) to the gift auction. If you would like to attend the auction with these (2) tickets you must still use the online link to make a reservation. We will be providing an updated event flyer soon that can be shared on all social media, and will have a QR code to the link for online reservations.

Please be sure to visit the updated sign up genius for the gift auction and if you have not done so, please sign up for a shift. Per the PTA agreement, this is a mandatory requirement and all families must be signed up by March 1st.

We truly appreciate your continued support! If you have any questions, please don't hesitate to reach out.
