ANCHORED in FAITH

June 12, 2018

Dear Saint Peter School Families,

It is hard to believe that the school year is coming to a close! I want you to know that it has been wonderful being a part of your children's lives this year. They are such a joy, and the best part of the job is visiting them in their classrooms to see the great things they are doing or seeing them in the hallway and exchanging a "Good morning" or "Good afternoon."

Thank you for your ongoing support - without it, we could not offer such a rich educational environment filled with so many diverse opportunities and experiences for your children. Thank you all for your genuine interest in your child's education and for the countless hours spent helping in the classroom, in the schoolyard, and at various fundraising events. Your children and the school benefit immeasurably from your generosity of time and talent.

As I reflect on the school year, I am thrilled that we were able to offer some new learning experiences for the children, such as the Rutgers Science Explorer, the Mobile Planetarium, the Hour of Code, and the Saint Peter School News Broadcasts. In addition, we added some fun family events and created a Family Outreach Committee in an effort to bring families together and enhance your experience at our school.

Stay tuned.....we already have some amazing new things in the works for next year! AND look for information in the communication folder about a summer STREAM Camp here at St. Peter's called Invasion of the Drones! It is very important to us that we continually seek to add to and improve upon our school offerings so that your children receive the highest quality education while remaining rooted in faith and in the teachings of Jesus.

Every Saint Peter Family is a vital and wonderful part of our school community, and I pray that your summer will be filled with fun, togetherness, love, health, and peace.

Many blessings and warm summer wishes,

Mrs. Kobrin

INVASION OF THE DRONES

STREAM Camp is designed for students who are entering grades 2 to 8 in the fall of 2018.

Stewards of the Earth: Learning the Design Process.

WHY STREAM CAMP?

STREAM Camp teaches a variety of specialized courses including Science, Technology, Religion, Engineering, Art, and Mathematics. Every learning activity is tailored to the children's grade and age. These activities will include programming, robotics, 3D design and Team challenges. In conjunction with Pope Francis' Laudato Si letter, students will relate activities to helping the environment and service to humanity to achieve a greater appreciation for "our common home".

June 5, 2018

Dear Parents,

As we head into the summer months, just a few friendly reminders to ensure the continuity of care and safety of all our students for the coming school year:

1. All students **entering Grade 6** in September of 2018 are required to have a physical by their family physician. Forms are available on the website and we are requesting they be returned by September 1st.
2. All students entering Grade 6 are also required by law to have an additional Tdap vaccination if born after January 1, 1997 as well as a Meningococcal Conjugate Vaccine, given **NO EARLIER** than 10 years of age. This also needs to be sent in by September 1, 2018.
3. All students participating in sports for the 2018-2019 school year must have a current physical on file in the school health office **2 weeks prior to the start of practice**. You can download the physical and medical release form on the Saint Peter School website. Students who do not provide the proper documentation will not be eligible for participation in practice or games. Please send in the original physical form and keep a copy of it for your personal file.
4. Please be sure to up-date your child's health record should any new conditions/allergies occur over the summer months.
5. If your child needs any medication which includes prescription or over the counter, please have the permission to medicate forms filled out by your physician and returned by the 1st day of school to the Health Office. Children **ARE NOT** to transport medication between home and school

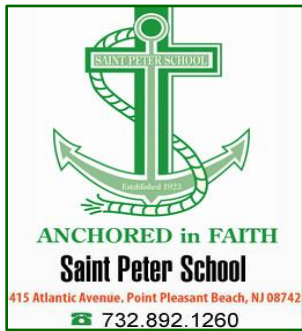

Wishing you a happy and healthy summer!

P. Lynn Faugno, R.N.
Carol Rizzi, R.N.
