ANCHORED in FAITH

February 6, 2018

Dear Parents,

It is important to us that we keep our parents informed about the changes that are coming in March concerning standardized testing for our students. While we are very grateful for your patience and understanding with the delay in receiving the Terra Nova scores last year, steps have been taken to ensure this does not occur again for any schools in the diocese.

As a result of this challenge in the 2017 school year, the diocesan leadership in the four dioceses in New Jersey made a decision to implement the IOWA Assessment Standardized Test in March for all of our students in grades two through eight.

This assessment, designed at the University of IOWA, assesses student achievement in Reading, Written Expression, Mathematics, Science, Social Studies and Language. Today, with much emphasis on STEM education, it is important to provide assessments that measure current growth in these areas.

The administration and faculty will access the students' testing results in a timely manner through the Data Manager online program provided by the company. This advanced program will enable the teachers to gather the data to make adjustments to curriculum and target learning via Lexile scale that notes individual reading levels.

Students in the second, fourth and seventh grades will also take the Cognitive Abilities Test that guides planning of curriculum that meets the needs of the students. Parents will receive a Home Report that will indicate the testing results of their student.

This assessment also has the ability to evaluate student preparedness from the sixth grade for achievement in the ACT/SAT testing.

The IOWA assessment will be administered the week of March 5th. Please do not plan any vacations or appointments during this time as it is very difficult to schedule make up times.

May 2018 be filled with many blessings for all of our students and their families! We are grateful for all your kindness and support in choosing our Catholic school to educate your child.

Gratefully,

Mrs. Tracey Kobrin
