

**REGISTRATION AGREEMENT  
2018 - 2019 SCHOOL YEAR**

Thank you for choosing St. Peter School, where the educational and spiritual needs of your child/children are met with expertise and caring. The projected cost of educating children at St. Peter School is in excess of \$6,000 per child, but as you can see, no family pays the full actual cost of educating their child. Thanks to the dedicated efforts of an active PTA and a generous Parish subsidy, we are able to establish a tuition rate that is necessary but fair. It is understood that families registered at St. Peter's Parish are contributing their envelopes to the weekly Sunday collection, which is the source of the subsidy, and signing the Parishioner Agreement statement below is required. Thus, the tuition rate of the 2018-2019 school year will be as follows:

	<u>Parish</u>	<u>Non-Parish</u>
1 <sup>st</sup> Child in Family	\$5,430	\$6,075
2 <sup>nd</sup> Child in Family	\$4,150	\$4,650
3 <sup>rd</sup> Child in Family	\$4,150	\$4,650
Non-Refundable Registration Fee: New Student Registration:		\$150 per child
Re-registration:		\$150 per family*

**PARISHIONERS:**

Our family has requested the St. Peter Parishioner tuition rate for the 2018-2019 School Year and agrees to remain active members of St. Peter Church, which includes:

- Regularly attending Sunday mass and Holy Days at St. Peter Church;
- Making contributions using weekly collection envelopes or registering for direct debit from a bank account for the weekly offering;
- Offering our time and talent to help other members of St. Peter Church.

If we do not fulfill the commitment associated with active membership at St. Peter Church, we understand that the Parishioner tuition rate for our child(ren) attending St. Peter School may be canceled and payment of the non-Parishioner rate will be required.
