

Second Grade Summer Math Packet and Reading Log **Due Tuesday September 4th**

Your child will receive a prize for completing the packet on time. The biggest prize of all is being ready for second grade! After your child has completed the math problems and you feel your child is still struggling on a certain concept and needs further practice, you can have them play games on some of the websites listed below or make up additional problems of your own for more practice.

Excellent websites for fun learning and reinforcement of math and reading skills:
