Encourage your child to read books of interest and ability level. Joining the Summer Reading Program at your local public library is strongly recommended.

Assignment/Due Date: You are required to read the **mandatory books** and at least **one** book from any of the titles, authors, or series FROM THE ABOVE LIST. Please bring to school, no later than September 5th, your summer reading log listing the titles and authors of the books you have read.

There will be a written assessment on the mandatory book of *BFG* during the first week of school as well as completing a project on 1 of the 3 titles in class during the beginning weeks of school. This will account for your first Language Arts grade for the year.

If your books are not from the titles, authors, or series noted above, you will be unable to report on your summer reading.
