

Dear Incoming Fourth Grade Parents:

I recently met with your child's class to discuss the math and reading assignments which all students entering fourth grade need to complete over the summer months. These activities will help your child review and maintain skills learned in third grade as well as help prepare your child for fourth grade. **These assignments are mandatory and must be submitted on September 5th.** Assignments will be posted on the school website before the end of the school year.

Please read and sign the bottom portion of this memo and return it to me by June 8th.

Sincerely,
Mrs. Scotto

=====

I am aware of the math and reading assignments my child needs to complete. Additionally, I understand that the assignments are available on the St. Peter School website and that I am responsible for printing any of the assignment materials that need to be submitted to the teacher on September 5th.
