

Dear Incoming Second Grade Parents:

Your child's math and reading assignments can be found on the school website. They are to be printed out and completed over the summer months. These activities will help your child review and maintain skills learned in first grade as well as help prepare your child for second grade. **These assignments are mandatory and must be submitted by the First Day of School**

Please sign below and return the bottom portion of this memo to me via email.

Sincerely,

Mrs. Rizzo
