SNAPSHOT of OUR GROWTH

Fall 2022,

I consistently say that **Mission** is what drives our Catholic schools in the Diocese of Trenton...daily. Never has that been more important than it is today.

The educational climate in the United States, and specifically the State of New Jersey, has moved to a place that the Catholic schools **never will**. Our Catholic schools are focused on Catholic values, high academics, and social growth. Our Catholic schools have never been subject to the political or social winds of change that can affect the direction of other educational institutions.

Believe me when we say our that schools are on the cutting edge of technology and infrastructure to better support the mission of Catholic education. Our Catholic schools have all the contemporary educational needs like the computers, video capabilities, and strong bandwidths to connect to the world and ensure success for our students. The science labs, 21st Century skills, and educational supports necessary for real academic growth are all present and accounted for in our Catholic schools. Perhaps most importantly, certified, and high-quality teaching and administrative staffs that are mission driven, as well as filled with the love of faith and the Catholic communities they serve within our schools, are the expectation and the norm throughout the Diocese of Trenton. Couple that with our solid sacramental preparation, the teaching of tried-and-true foundational pieces such as basic cursive and the "Three R's," and you have a system that is ready for the next generation without losing sight of where we are from, collectively, as an organization.

Our Catholic schools have served Central New Jersey for over 170 years, because of the kindness and gifts of those that came before. You have seen the results of Catholic education in your lives and those of your children. You can pass along this gift to today's Catholic students and ensure the opportunity for those who will come next through continuing to support our Catholic schools. Today, you have a choice when it comes to the educational opportunities available. I prayerfully ask you to reflect on the mission of Catholic education, the impact it has had on your life, and our students who are working to learn of God's gifts.

Please accept this invitation to explore our Catholic schools. Reading this snapshot will hopefully whet your appetite for the real Good News in Education...that our schools are growing and developing students who not only maximize their potential and make you proud as parents, but, more importantly, are alive in the Spirit of Christ and are willing to go into our communities, and the world as a whole, to make substantial difference in the lives of others.

With sincere appreciation and prayers for your safety and health,

Dr. Vincent de Paul Schmidt
Superintendent of Catholic Schools
Diocese of Trenton

Catholic IDENTITY
