PENNIES FOR PATRIOTS

For the National Junior Honors Society our service project will be a penny war. With the money we will buy socks, beef jerky, hard candy, magazine, DVDs, and granola bars. With these items we will make care packages to send to service men and women here and abroad.

Pennies count as 1 point. Any silver coins count as negative of what they're worth. So put them in other teams' buckets. Any paper money is a positive to your bucket.

February 21 – 24

Dear Parents,

It's time to start thinking about inclement weather, i.e., school closings for snow days, delayed openings and emergency early dismissals.

Saint Peter School uses Intrado SchoolMessenger Solutions. Information can be found at www.SchoolMessenger.com/tm

The school will only use the service to provide information that is timely and relevant.

In order to participate in this service you must indicate your willingness to receive text messages to your phone. The process is simple and only takes a few seconds to complete.

Simply text any one of the following words to the number 67587: **subscribe, optin, yes**

You'll know you were successful if you receive the following reply message:

You are registered to receive aprox 3 msgs/mo. Txt STOP to quit, HELP for help.

You'll want to repeat the opt-in process for any wireless numbers that you wish to include.

In addition to performing the opt-in process above you'll want to ensure that the school has your wireless number(s) in our student information database. If you haven't already provided that information to your school please contact them and provide them with that information. .

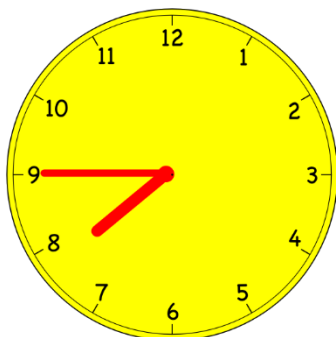

Please note, although the school does not charge you for this service, it does not pay for text message charges that may be incurred by you for sending or receiving text messages. Check with your wireless carrier for possible charges.

If you have any questions please feel free the school.

Diocesan Tuition Assistance Program 2023-24 School Year

For Families with Children Attending Catholic Schools

General Information

Tuition assistance is awarded each year to families with children in our Catholic schools in grades K-8. Awards are made based on financial need.

How is the determination made?

Information contained in the application along with the supporting materials is used to determine financial need. The formula utilized has been especially designed for families with children attending Catholic school. This calculation is based on a moderate standard of living for the geographic area of the applicant, further ensuring a realistic result. This formula determines the ability of a family to pay for private education. FACTS includes a comprehensive review and verification process ensuring the accuracy of the data.

Award Amount Families who apply can receive up to one-half of the school's in-parish tuition rate.

How to apply (One application per family)

- Applications will be available online November 1, 2022 at <https://online.factsmgt.com>. Online applications are available in English and Spanish.
- The application fee is \$35, and it is due at the time the application is submitted. Forms of payment include debit cards, major credit cards, or an electronic check. Continuing in the 23-24 School Year, the application fee of \$35 will be added to your tuition assistance award if you receive a Diocesan tuition assistance award.
- Allow for approximately two weeks for FACTS to process each document once it is uploaded. If additional documents are needed, an email will be sent from FACTS. All "Complete" applications by the due dates will be considered for The Diocesan Tuition Assistance Program.
- For Grades K-8: To be considered in Round 1 applications must be complete by **March 1, 2023**. The deadline for Round 2 is **May 12, 2023**.

Grades K-8

- **Applications completed by March 1, 2023** will be evaluated in Round 1. Typically, applications in the first round are submitted by existing school families or new families who register during *Catholic Schools Week*. ***All applications must be complete, containing all supporting tax documentation.***
- **Applications completed by May 12, 2023** will be evaluated in Round 2. This is the final opportunity to apply for diocesan financial aid. Typically, applications in the second round are submitted by families who register late, regardless of whether they are new or existing families. ***All applications must be complete, containing all supporting tax documentation.***

- For Round 1 tax forms from 2021.
- For Round 2 tax forms from 2022.
- Families will be notified by email whether or not an award is granted. When this notification is received the parent should contact the school.

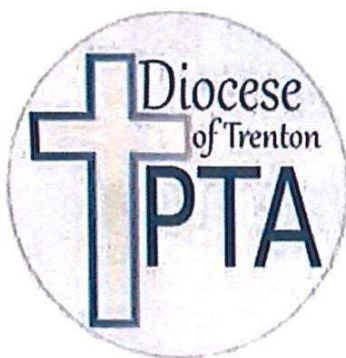

Grades 9-12

- All applications must be complete, containing all supporting tax documentation. *Awards are based on a rolling submission. Notification will be made by the school.* For more information on High School Financial Aid, visit your high school's website.

Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 25 years, and it really can make a difference. In fact, the Box Tops program has helped give almost one billion dollars to schools since 1996.

The Box Tops app gives participants the ability to earn for any school across the country with just the touch of a button. Plus, the Box Tops app allows you to search for schools that could use a little extra help, so you can help give students in low-income schools the opportunity to succeed.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can still submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

See a list of participating products at
[BTFE.COM/PRODUCTS](https://www.btfec.com/products)

Box Tops earnings really add up, and the more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and give more kids the opportunity to succeed. **Together, we can help make a big difference.**
