

Summer Reading Skills Practice Students entering first grade

The following websites are a great way for your child to practice and enhance his/her reading skills. Visiting these websites with your child throughout the summer will help prepare your child for first grade.

<http://www.turtlediary.com>

<http://www.starfall.com/>

www.spellingcity.com

<http://www.abcya.com/>

www.ezschool.com

www.apples4theteacher.com

www.pbskids.org

Your local public library should have a summer reading program for your child. I strongly encourage all children to participate in this type of program.

Summer Writing Skills Practice

Students Entering First Grade

Write the alphabet (upper and lower case letters)

Write the numbers 1-10

Write 2 sentences about something you did this summer. Make a colorful picture (no stick figures) to go along with your writing.
